

## **Return Oh Israel**

Hear oh heavens, give ear oh earth.  
Children have I birthed,  
But they've turned their backs on me.

Return, oh Israel, to the One you knew as Lord.  
Return, oh Israel, and be restored.

Jacob, Jacob my son, my son, contender with God.  
The Holy One is calling you, Yeshua Adonai.

Return, oh Israel, to the One you knew as Lord.  
Return, oh Israel, and be restored.

As in the days of old, when I brought you by the hand  
Out of Egypt to the Promised Land

And so My Son I sent to you to restore you and to bring  
You back once again

Return, oh Israel, return to me to the  
One you knew as Lord.  
Return, oh Israel, and be restored.  
(Repeat x2)

And be restored. (x2)
