

## Yeshua Is He

Light the candle, watch the flame, Break the darkness with His name  
He is the light, the light of the world, Yeshua is He

Let the mystery unfold, Jew and Gentile must be told  
Through His blood we've been atoned, Salvation is He

Lift the veil of darkness, Let the light come shining through  
Read the Word both old and new, And you will be amazed

To see how God has sent His only Son, A sacrifice for everyone  
So all our sins could be undone, Yeshua is He, Salvation is He

(Short Pause)

Now the Lord has made me new, I've got a different point of view  
I know the light, the light of the world, Yeshua is He

Now you know Messiah's name, Light the candle, watch the flame  
He'll return to us again, Yeshua is He

Lift the veil of darkness, Let the light come shining through  
Read the Word both old and new, And you will be amazed

To see how God has sent His only Son, A sacrifice for everyone  
So all our sins could be undone, And we could all be saved

It's time to lift the veil of darkness, Let the light come shining through  
Read the Word both old and new, And you will be amazed

To see how God has sent His only Son, A sacrifice for everyone  
So all our sins could be undone,

Yeshua is He, Messiah is He, Salvation is He (x2)  
Yeshua is He.
